Request to Send Cannabis Urgency Ordinance Back to Staff

Honorable Supervisors:

The cannabis zoning/urgency ordinance is over-restrictive and untenable, and if passed as written, will lead to an underground culture that local cannabis businesses are vehemently against.

We implore you to return the ordinance to staff as it was crafted without clear understanding of Supervisor Arnold's July 26th urgency ordinance request (Guy Savage, SLO Norml meeting 9/15/16).

Furthermore, directing staff to work with the local cannabis community would encourage a framework that patients, cannabis entrepreneurs, the community, and most importantly, the Sheriff, could work with while waiting for a permanent ordinance to be drafted.

The fact that an urgency ordinance cannot be changed once it's approved further emphasizes the importance of close attention to its structure and detail. SLO County deserves the protection of a well-crafted cannabis ordinance; not one based on conjecture, with its details discussed and/or debated as an agenda item during a supervisor's meeting.

Thank you for your consideration and your service.
